

CHRISTMAS 2012 ORDERS

Please find attached sheets for ordering Christmas produce from the shop. There are separate pages for orders for fruit and vegetables, kitchen produce, meat and other shop items such as bread, cheese, juice etc.

Orders can be collected on 22, 23 or 24 December. Please circle for your own reminder.
If you wish to collect on 24 December please note that we will close promptly at 1pm.

It is important that orders are handed in to a member of staff who will check through the sheets with you to ensure we are clear about your exact needs and to clarify if there are any known availability issues. Please do not detach any of the sheets even if they are blank. Please make your own copy if you need a duplicate of what you have ordered.

As all produce can be notoriously difficult to source over the Christmas period, we have to stipulate that **all orders are subject to availability** – but please be assured that we will endeavour to fulfil all requirements.

Once again we are able to supply Christmas turkeys and geese from our supplier in Cornwall. The birds are reared from day old chicks on the farm and are completely free range and fed on a natural, additive-free diet. They grow to full maturity for maximum flavour. We have visited the farm ourselves and can reassure you of the high standards of welfare and health of the birds. The birds are dry plucked and hand finished before being hung to mature. They are then prepared so that they are completely oven ready with giblets separately packed and will be boxed ready for collection. We can offer either a traditional free range white turkey or a free range Bronze turkey; the Bronze is said to be the Rolls Royce of turkeys – dark feathers, slightly gamier flavour and pinker flesh.

As well as complete turkeys and geese, the farm butchers can also prepare boned and rolled turkeys (the whole turkey taken off the bone and rolled into a joint making it easier to carve), turkey ‘crowns’ (breast of turkey on the bone – suitable for small families or smaller ovens) and turkey breast joints (the breast meat removed from the bone and presented as a joint).

Please note that while we will endeavour to provide a bird as near to your weight requirement as possible, due to the free range nature of the birds it is not possible to guarantee an exact weight. The earlier your order is placed the more likely we are to be able to meet your weight requirement. If your order is placed later, there is a possibility that we may not be able to match requirements on weight /size. In this case we will supply a bird to the nearest weight available. Therefore it is important that you place your order as soon as possible.

Minimum Order Value £10
