

The farm Shop is now back open with a one way, 2 metre system in place (similar to the supermarkets) so you are now able to come and shop again!

However we are still offering a click and Non- Contact collection service, once a week for our most vunreble customers, for those of you that would rather not come in. This is for collection on Thursdays only.

## How it Works ?

Please have a look through the list below to see what you would like; then either give us a call on 01453 521546 and we will take your order over the phone; or send an email to [orders@wottonfarmshop.co.uk](mailto:orders@wottonfarmshop.co.uk) (listing what you would like) Please ensure to include your name and correct phone number, Then when its ready (Thursdays) we will call you back to take payment and let you know thats its ready (PLEASE GIVE US YOUR CAR REG NUMBER OR MODEL) When you arrive, let us know you are here (there will be someone around the veg area to shout too) we will pop it in your boot for you. Alternatively, you could send someone to collect it on your behalf.

(If we dont answer the phone, please keep trying as we are extremely busy at the moment)

We cannot list every item on this form but please feel free to ask about items that you know we sell. As I'm sure you will understand not everything will be available all of the time, it very much depends on our suppliers being able to supply us, stock Levels are good at the moment on most products - we will do our best!

Please note all orders need to be paid for over the phone with a card when we phone you back to say your order is ready *Please also be aware the wholesale prices of certain items have gone up over the last 3 weeks our margins however have not changed, if anything we have reduced them to keep prices as low as we can. We are unable to produce price lists because of this, sorry*

We now have a non contact Plant & Compost area set up please see the last page for details

Rest assured we are doing everything possible to keep our shelves and fridges stocked as normally as possible and will do everything we can for our customers - Paul, Kate & the Wfshop Team x
