

Welcome to the Wotton Farm Shop Christmas Order Form 2025

How to Order ? Follow these easy steps

Step 1 - Fill out this form with your details and what you would like to order (if you don't have a hard copy its easy to download one from our website)

Step 2 - Bring it to the farm shop (this is the preferred way if possible) with your £10 Deposit

If you cant make it to the shop please email a copy of it too christmasorders@wottonfarmshop.co.uk we will then phone you within a few days to take your deposit

Step 3 - This bit is REALLY IMPORTANT - Until we have taken your deposit, your order its not confirmed as in our system, so, PLEASE if we havent contacted you within 3 days of you emailing then please contact us as it could be lost in junk cyberspace somewhere which is beyond all of our control and we dont want to miss your order and we don't want you to miss out on your Christmas dinner!

TURKEY PAGE

This year we have sourced our turkeys from just down the road in Devon and to simplify things they are priced EACH rather than by the kilo , so you know just what you will be paying -

Bronze free range	The bronze free range turkeys roam the pastures and are fed on the finest produced ingredients. They are dry-plucked and hand-finished to avoid bruising or marking of the bird. They are fully prepared for the oven complete with giblets.
--------------------------	--

White barn reared	The biggest difference you will notice with the white barn-reared turkeys is there will be a greater layer of fat adding a bit more texture as well as being less expensive than the bronze free-range birds we offer. The turkeys are fed on the finest ingredients and have plenty of room in the barns to roam. They are fully prepared for the oven complete with giblets.
--------------------------	--

Crowns	As above and available in both Bronze or White , this is the whole bird without the legs for those who only want white meat and no dark meat , giblets are included
